Dillard College of Business Administration Student Advisory Board Application

The Student Advisory Board was formed in the fall of 2009 to close the gap between faculty and students. The Student Advisory Board is committed to enriching the student experience through an intimate partnership with Dillard College of Business Faculty, business professionals, the community and other students. The SAB played a significant role in support, preparation, and facilitation of the AACSB accreditation process in the spring of 2010. In the coming months, we will continue our efforts to improve the student educational experience through the implementation of various programs.

As a Student Advisory Board member, you will have a voice in the development of DCOBA as a professional school of business for the coming generations. You will receive the honor of meeting regularly with the dean, business professionals, and will be invited to exclusive functions with the Dillard faculty, and distinguished visitors to MSU. In exchange, we ask for your time, energy, commitment, and participation in achieving SAB goals for the benefit of the Dillard College of Business Administration at Midwestern State University.

Instructions: Please complete this application front and back and attach a letter of recommendation from a Dillard COBA faculty member. You may also attach a copy of your resume.

Name:			Mustangs ID:
	First	Last	Ç
Major:		GPA:	Classification: (FR, SO, JR, SR, GR)
Do you wo	ork outside of	attending class?	_
If so, what	is your occup	ation?
